Bring and Share Supper.

If you are not familiar with this it means everyone brings something to eat which is put out for everyone to share. Just bring one type of food eg savoury or sweet. Don't worry about what to choose as we always seem to end up with a lovely variety. If you bring the amount that you or your family would eat if they ate nothing else we should have just the right amount! If you have any questions please phone Hilary on 400087
